What You Need To Know

The SC Department of Transportation will be replacing the bridge that goes over Willow Creek Swamp on SC HWY 641. Their current proposed road closure includes all of HWY 641 beginning at the HWY 601/HWY 641 Junction to the Y where HWY 64 meets HWY 641. This will impact how you travel to visit us. Please pay attention to the maps in this pamphlet as they will serve as **alternate and faster routes** than the detour the SCDOT will have in place. We will also place direction signs for your convenience. Please remember to obey all traffic laws and speed limits!
